"you have four years to be irresponsible here. relax. work is for people with jobs. you'll never remember class time, but you'll remember time you wasted hanging out with your friends. so, stay out late. go out on a tuesday with your friends when you have a paper due wednesday. spend money you don't have. party 'til sunrise. the work never ends, but college does..."

*Hope has two beautiful daughters. Their names are anger and courage; anger at the way things are, and courage to see that they do not remain the way they are.*

*-Augustine of Hippo*

I hope you enjoy this year's *Lotus*. I have taken great honor in designing the Peace College yearbook because now it will be forever documented how I spent my senior internship in Graphic Design. I have worked very closely with Jostens Yearbook representative, Kim Trezona, as well as, Kerri Lovegrove and Lisa Mumma from Peace College to ensure this book will be one we all cherish for years to come. I would also like to thank everyone else that sent in pictures to make this book what it is today. Enjoy!
